

Chateau les Arromans Bordeaux Rouge NV

TASTING NOTES

Intense, opaque ruby-red in color. With a delicate aromatic mix of savory and toasty notes, this wine is ample, round and elegant on the palate, with mature, well-integrated tannins and a spicy, peppery finish.

FOOD PAIRING

This is a great wine to pair with casual foods such as pizza, pasta or BBQ. Its fruit-forward taste also complements roasted pork, beef roast and cassoulet.
