## Viña Borgia Rosé BIB 3L 2017

### WINE DESCRIPTION

This 100 % Garnacha is a crisp and elegant Rosé from the Campo de Borja DO in northeastern Spain. Located between the Sierra de Moncayo mountain range and the Ebro River valley, this historic region has produced wine since the late 12th century. The continental climate is mitigated by the "cierzo" wind that cools the vineyards nightly.

### ABOUT THE VINEYARD

10-15 year old vineyards. Red clay mixed with sandstones in Tabuenca, gravels and caillous in Borja and limestone in Pozuelo.

### WINE PRODUCTION

Fermentation in stainless steel tanks at controlled temperatures between 14° C and 18° C.

### TASTING NOTES

Young rose wine with elegant aromas. Clear, bright raspberry tinged wine produced from the teardrop juice of a selection of our best Garnacha grapes. Intense fruit aromas, smooth and balanced on the palate.

### FOOD PAIRING

Great for appetizers, salads, tapas like Spanish tortilla and garlic shrimp.

### VINEYARD & PRODUCTION INFO

Vineyard name:	Tabuenca, Borja, Pozuelo
Soil composition:	Iron-rich, Clay, Gravel, and Stony
Elevation:	1,200-2,400 feet
Exposure:	Eastern / Western
