## Domaine Jaeger-Defaix Rully Rouge NV

### WINE DESCRIPTION

The yields are controlled by disbuddings in order to produce a fine and expressive wine. We also make a severe sorting in the vineyard and then in the cellar.

The fermentation lasts during 15 days with daily pumping-over. Then the wine is aged in oak barrels not new (from 1 to 3 years) during 15 months. A very light filtration is made before bottling so a light sediment may deposit.

### TASTING NOTES

brilliant ruby color and a fruity nose with cherry and raspberry. The mouth is fine and delicate. Very representative of a Pinot noir from Burgundy, this wine is very pleasant. To serve at cellar temperature, slightly cool to the touch.

### VINEYARD & PRODUCTION INFO

Harvest time: September

### WINEMAKING & AGING

Varietal composition: Pinot Noir  
Maceration technique: Pumpovers  
Type of aging container: Barrels  
Age of aging container: 1 to 3 years  
Type of oak: French  
Length of aging before bottling: 15 months
