Little Things Rosé 2017

WINE DESCRIPTION

Our philosophy is to take care of the little things so you don't have to. This means minimal intervention between growing the grapes and pouring the wine into your glass... well may be just a bit of blending of your favourite varieties to create harmony.

ABOUT THE VINEYARD

Vines flourish at our vineyard estates beside the Murray River where long days full of sunshine, clean water and our endeavours come together to produce this luminous Rose.

A mild spring lead to later flowering of the vines, which ultimately lead to the grapes hanging on the vine for an extra two weeks allowing them to develop the delicious spectrum of flavors reflected in this wine.

TASTING NOTES

A basket of freshly picked strawberries, or is it rose petals? No matter where the aromas of the wine take you, your palate will be delighted by fresh acidity and wonderfully balanced fruit flavors.
