

PRODUCER PROFILE

Estate owned by: Maria and Willi Sattler
Winemaker: Willi Sattler and Andreas Sattler
Total acreage under vine: 99
Estate founded: 1887
Winery production: 200,000 Bottles
Region: Styria (Steiermark)
Country: Austria

Sauvignon Blanc Trockenbeerenauslese 2013

WINE DESCRIPTION

Sattlerhof is a leading producer in Austria's South Styria region. The Sattler family was one of the earliest in the region to bottle high-quality dry white wines beginning in the 1970s. Sattlerhof belongs to the prestigious STK (Styrian Terroir and Classic Winegrowers), an association with strict quality standards and an esteemed vineyard classification.

ABOUT THE VINEYARD

South Styria lies in the south of Austria near the Slovenian border and specializes in aromatic and refreshing dry white wines. The vineyards of Sattlerhof are centered around the village of Gamlitz less than 10km from the Slovenian border and includes several top vineyards rated premier cru and grand cru by the STK group.

WINE PRODUCTION

The Sattler family produces sweet wines when conditions allow. This Sauvignon Blanc Trockenbeerenauslese is a selection of hand-harvested and fully botrytized grapes from vineyards with sand, gravel, and shell limestone soils near Gamlitz. Vinification was in stainless-steel tanks followed by 4-5 month on the fine lees before bottling.

TASTING NOTES

Sauvignon Blanc Trockenbeerenauslese shows a heady and intense aroma white peach, apricot, and gooseberry with nuances of green tea and preserved lemons. The flavor is incredibly rich and sweet but balanced by racy acidity that results in a wine that is simultaneously sweet and vibrant. This is a wine with an aging potential of twenty years or more.

FOOD PAIRING

Trockenbeerenauslese or TBA is a rare and incredibly laborious wine to produce and is for many a "Meditationswein" often consumed without the accompaniment of food. Pungent cheeses such as blue or aged washed rind cheeses make an excellent contrast to the sweetness of TBA while sweet dishes featuring dried fruits, caramel, or nuts make the best dessert pairings.

VINEYARD & PRODUCTION INFO

Soil composition: sand, gravel, shell limestone
Certifying organizations: Organic - Lacon

WINEMAKING & AGING

Varietal composition: 100% Sauvignon Blanc

ANALYTICAL DATA

Alcohol: 9.5 %
Residual sugar: 236.9 g/L
Acidity: 8.6 g/L
